

DD-B Universal diamond core bits

One specification for all types of concrete

Uses

- Universal usage on many different types of reinforced concrete.
- Can be equipped with various connection ends such as BL, BI, BU, BS, etc., depending on the diamond coring machine used.
- Diameter range of 52 – 202 mm.
- Optimal performance on medium power tools (e.g. DD 200)

Features

- Long life thanks to high diamond segments (height of 9 mm, max. effective usable height: 8.5 mm).
- Faster coring progress even under the toughest conditions, and no polishing when cutting through rebar.
- Precisely-engineered barrel, optimally balanced to ensure true running.
- For cost-conscious drilling professionals.

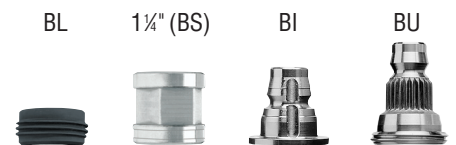

DD-B U4 diamond core bit program

without connection end

Diameter (mm)	Diameter (inch)	Working length (mm)	Package contents	Ordering designation	Item no.
52	2"	430	1	DD-B 52/430 U4	00377328
62	2 ³ / ₈ "	430	1	DD-B 62/430 U4	00377329
66	2 ¹ / ₂ "	430	1	DD-B 66/430 U4	00286243
72	2 ³ / ₄ "	430	1	DD-B 72/430 U4	00377330
77	3"	430	1	DD-B 77/430 U4	00377334
82	3 ¹ / ₄ "	430	1	DD-B 82/430 U4	00377331
92	3 ¹ / ₂ "	430	1	DD-B 92/430 U4	00377332
102	4"	430	1	DD-B 102/430 U4	00377333
107	4 ¹ / ₈ "	430	1	DD-B 107/430 U4	00377335
112	4 ³ / ₈ "	430	1	DD-B 112/430 U4	00377334
122	4 ³ / ₄ "	430	1	DD-B 122/430 U4	00377335
127	5"	430	1	DD-B 127/430 U4	00378521
132	5 ¹ / ₄ "	430	1	DD-B 132/430 U4	00377336
152	6"	430	1	DD-B 152/430 U4	00377337
162	6 ³ / ₈ "	430	1	DD-B 162/430 U4	00377338
172	6 ³ / ₄ "	430	1	DD-B 172/430 U4	00377339
202	8"	430	1	DD-B 202/430 U4	00377340

Connection ends (ordered separately)

Ordering designation	Package contents	Item no.
BL connection end	1	00305542
BS connection end	1	00286794
BI connection end	1	00236120
BU connection end	1	00236122
BR connection end	1	00236121

The connection end depends on the diamond coring machine used.
